

**DAF MULTISUPPORT**

More than just  
Repair & Maintenance

**DAF**

# Repair and maintenance services customised to your business

DAF MultiSupport provides a range of repair and maintenance service packages to increase uptime, control your costs and reduce risks. You decide yourself the level of service, with the possibility to extend to trailer equipment and/or construction. So you are always assured of a perfectly maintained fleet and maximum vehicle availability. And just as important, you can concentrate on your core business.

**You drive, we take care of the rest**

Your DAF dealer takes maintenance planning and administration off your hands. You can focus on your core activities sure in the knowledge that your fleet will always be in perfect condition.

**Fixed price per kilometre**

Our flexible repair and maintenance packages give you maximum assurance at a fixed price per kilometre. As well as giving you full financial control, it helps prevent costly surprises.

**Maximum uptime**

Based on your needs, vehicle use and truck configuration your DAF dealer will give you the best maintenance schedule for your operations. And if there is an unexpected breakdown, you can always rely on DAF International Truck Service.

**Enhanced resale value**

Our repair and maintenance services use genuine DAF parts to increase vehicle reliability and ensure an enhanced resale value of your truck.

## Flexible packages at a fixed price

Over 11,600 satisfied customers since 2001, they had good reasons to trust us

DAF MultiSupport helps you to get even more out of your fleet. Our packages offer a tailor made service solution for any vehicle application for up to 8 years.

**Keeping your vehicles in excellent condition**

DAF MultiSupport Care+ gives you all the maintenance services you need to keep your vehicles in excellent condition. It helps you prevent unexpected breakdowns and maximise vehicle uptime for an attractive, agreed monthly fee.

**Maintaining and protecting your driveline no matter what**

With DAF MultiSupport Xtra Care, you are assured of excellent maintenance, high-quality repairs and maximum vehicle availability to drive your business forward. The contract covers the most expensive components, your vehicle's driveline.

**Maximum flexibility through extended tailor made services**

DAF MultiSupport Flex Care provides excellent maintenance services and also covers repairs to your vehicle. You can optimise your Total Cost of Ownership even further by selecting from a range of additional services.

**Taking care of your truck so you can focus on your business**

DAF MultiSupport Full Care offers the most comprehensive coverage, enabling you to focus entirely on your core business. Including solutions for all service-related aspects of your truck, with fixed costs and no financial risk, it's the best way to increase uptime and lower your Total Cost of Ownership.
